

CONSIDERING A REVERSE MORTGAGE?

What is a Reverse Mortgage?

This is a unique financial planning tool called a Home Equity Conversion Mortgage or “H.E.C.M.” designed for seniors ages 62 and older. It allows you to get equity out of your home in the form of monthly income, an equity line of credit, or a lump sum. All income from the loan is tax-free, to use for any reason or goal you have. You will never have to make a payment on the loan, as long as you live in your home.* If you do live in your home until your death, your heirs will have the choice to refinance the loan or sell the home and keep any remaining equity.

How Much Can I Qualify for?

You must have enough equity in your home and meet the minimum income and credit requirements. What you qualify for is based on the youngest age of the borrower(s), the value of your home, the area you live in and the current interest rate.
